

The background of the slide features a large, faint, circular seal of the State of Indiana. The seal contains the text "THE STATE OF INDIANA" at the top and "1816" at the bottom. In the center of the seal is a landscape with a rising sun, a plow, and a sheaf of wheat, with a figure of Liberty standing on the right.

BACKGROUND

- ▶ The Commission's Reacher Higher strategic plans have rightly noted the changing higher education landscape and the complexity that comes with an increasingly diverse student body which Indiana's colleges must serve.
- ▶ As the state's college-going population has grown more diverse, the need for more targeted and differentiated student supports has increased commensurately—but not evenly—across Indiana campuses.

LEARNER-READY RUBRIC

“Create a model “Learner-Ready” rubric to help campuses assess their readiness to accommodate the needs of their unique learner populations.”

– *Reaching Higher in a State of Change*

- ▶ Online interactive rubric housed on che.in.gov in the strategic plan section
- ▶ Contain recommended best practices, state policies and new recommended action steps within *Reaching Higher in a State of Change*
- ▶ Categorized the five Blueprint action areas
